No hardware needed.

Assembly

Step 1
Insert all casters [D] into the base [B]. Push hard until you feel or hear the casters [D] snap into place.

Step 2
With the base [B] upright and the casters [D] on the floor, insert the gas lift [C] into the base.

Step 3
Insert the seat [A] with the armrest into the gas lift [C] with the base [B]. Apply pressure onto seat [A] securing the connection.

User Guide

Functions:
• Pull out the silver lever on the front right hand side of the chair to adjust the height of the chair.
• Pull out the silver lever on the front left hand side of the chair to lock the chair from reclining.
