

**Aras** | A timeless lounge seat available in single and double seaters. With its clean lines and plush firm padding, Aras exudes an understated elegance. The plump contour and deep seat contribute to its distinct minimalist aesthetic. Complemented by slender, straight metal legs, Aras showcases a blend of geometric qualities, resulting in clean and modern seating. Versatile in nature, Aras is suitable for a range of settings, including residential, office, commercial, and waiting areas. Experience the balance of style and comfort with Aras, a seating solution that adds a contemporary sophistication to any space.
