

**Harlo** | A contemporary occasional chair that offers two base options: sled and star base. This chair features a generous and spacious back, inviting users to sink into a soft and supportive seat. The curvature in the arms adds a touch of elegance and comfort. With its versatile design, Harlo effortlessly balances a lounge-like feel with a sense of sophistication, making it suitable for both commercial and residential settings. Experience the perfect fusion of style and comfort with Harlo, a chair that brings a touch of modernity to any space.
