## Sophistication in Every Detail

Where exceptional design meets outstanding quality, the Roke and Raffe table collections simply elevate any space they are placed in. A conversation starter, Roke and Raffe feature a contemporary sleek design with circular tabletops and durable metal legs. Lightweight and versatile, these collections have the ability to be used individually or nested together to create a space-saving two-tier design all while adding charm and sophistication to the workplace. Their unique design provides the perfect place where luxury and functionality flawlessly unite. Roke features a warm wood feel, where Raffe brings in an intricate design with a glass finish. The Roke and Raffe collections are the perfect choice for customizing a space that best serves and inspires you.
