### ESSENTIALS PROGRAM

Orders with the Essentials program are limited to under \$10,000 net. Essentials orders must be on separate P.O.s and cannot be combined with standard lead time orders.

### PRICES

All Prices are list prices F.O.B. factory (Continental U.S.). We reserve the right to change prices without prior notice.

### ORDERING

Purchase Orders should be sent to [orders@friant.com](mailto:orders@friant.com) or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA or Project Matrix, please send the worksheet (SP4) with your Purchase Order.

### MAXIMUM ORDER

All of our Essentials programs will be offered with a maximum order size of \$10,000 net and are based on capacity. We encourage our customers to check stock on orders over \$10,000 as we may be able to accommodate larger opportunities.

### TERMS

Net 30 days from date of invoice. Invoices are delinquent if not paid 30 days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney's fee. 50% deposit is required with every order, unless prior arrangements have been made.

### ORDERS

Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for accuracy.

### LEAD TIME

Lead times are subject to availability.

### SHIPPING

Friant generally palletizes, boxes and/or shrink-wraps its products. If buyer requests additional packaging or special shipping, then it is responsible for any extra costs that result. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

### CLAIMS

We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. The consignee should file for damage or shortages with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. Buyer must make all claims against Friant for defects, errors or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

### RETURNS

No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

### PARTIAL SHIPMENTS

We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

### ORDER CHANGE/CANCELLATIONS

Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. For the most up to date information, always review the order change/cancellation policy online. Allowable changes within the posted policy must be made in writing.

### SHIPMENT AND PREPAID FREIGHT

Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit.

### DELIVERY

We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

## Terms and Conditions continued...

### STORAGE

If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account, and we will deem such transfer as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

### CONSTRUCTION — SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

### FABRIC APPLICATION

Standard fabric application is non-directional. Friant & Associates is not responsible for charges associated with replacement of products due to incorrect specifications.

### CUSTOMER'S OWN MATERIAL

Yardage requirement is based on 66" wide plain covering material, and must be increased if less than 66" wide. Special instructions for handling material (pattern, directional fabric, right side of reversible fabric, etc.) must be submitted in writing before fabric is delivered. In the absence of special instructions, we reserve the right to use our own judgment. We reserve the right to reject any covering, which in our opinion, is unsuitable for our upholstery purposes. However, in no instance shall we be held responsible for unsatisfactory results due to use of covering unsuitable for our upholstery methods.

We will not be responsible for errors caused by buyers not supplying us with sample cuttings attached to their order giving full identification of covering material, (name of supplier, covering name, number and color) for identification purposes and advising us of model number and quantity to which each cover is to be applied.

Customer's own material that is shipped freight collect will be refused. A service charge will be applied for the return of unusable C.O.M. Contact factory.

### RIGHTS AND WARRANTIES — LIMITED LIFETIME WARRANTY

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. Normal usage is defined by 8 hour shifts in the product's intended application and in an indoor environment that conforms to the ANSI/ASHRAE Standard 55: Thermal Environmental Conditions for Human Occupancy (relating to air temperature, mean radiant temperature, air velocity, clothing insulation, metabolic rate, and humidity). Friant's warranty does not cover usage other than normal usage as defined in the previous sentence. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

High wear parts, such as wood veneer, fabrics, and other covering material/finishes, foam, glides, etc. are warranted for one (1) year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc. It also does not apply to "Customer's Own Material" (i.e. material specified by the customer that is not a standard Friant & Associates offering) used in the manufacture of Friant & Associates products.

Our warranty for LED lights is 2 years.

Friant & Associates does not warrant the matching of colors, grain or texture, except to within commercially acceptable standards. This includes normal variations between dye lots (fabrics).

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e. product not leveled, not secured properly, etc.) or if it is not used in a manner and/or in an environment that constitutes normal usage, as defined above.

Except as noted above, Friant & Associates makes no express or implied warranties to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and replacement is the customer's exclusive remedy for any and all product defects.

Friant & Associates shall not be liable for consequential, economic, or incidental damages arising from any product defect.

#### NOTES:

- Passage and Terrain are not available on acoustical panels, pedestal cushions, tackboards or fabric screens.
- Please refer to the Fabric Direction Section in the Materials Reference Guide on the Dealer Resource Center for more details.  
<http://dealers.friant.com/product-literature/>
- **When ordering panels 67" and below to match an 85"H panel, specify matching direction.**
- Order fabric / finish sample online at [www.friant.com](http://www.friant.com)
- Colors may vary slightly between dye lots.

Pattern Direction

- Fabric direction is not always determined by the way the pattern is shown on memo sample.
- Certain product construction and sizes require fabric to be applied only Directionally or Non-Directionally.
- Some products have fabric applied either Directionally or Non-Directionally. (Upcharges may apply on some products, see price books for details).
- Please refer to our **Materials Reference Guide** on the Dealer Resource Center for specific pattern application defaults on all of our products: <http://dealers.friant.com/product-literature/>
- Our Customer Success Team is happy to answer any questions regarding fabric direction.

## Maximum Panel Run - Recommended Guidelines

Panel runs need wall starts or wing panels for stability. Exceeding the recommended guidelines shown below may result in unstable panel configurations. Panels that are not properly supported will **yield** when pressure is applied.

### Freestanding

### Freestanding with Components

## Wall Start

## Wall Start with Components

## Festoons

Festoons connect powered panels in a straight line or through connectors. All System 2 powered panels will come with a panel to panel festoon, which extends power in a straight line from panel to panel or at a 90° angle. Because these are included, there is no need to order them separately.

Festoons will only need to be ordered separately when bringing power across a connector when the wing panels are non-powered. Please see below for details and specify festoons on page 30.

### Panel to Panel Festoon

- Included with each powered panel
- Extends power in straight line from panel to panel.
- Extends power at a 90 degree angle through a 2-way, 3-way, or 4-way connector.

### Pass Through Festoon

- Part number Q1F2CPK.1 on page 30.
- Extends power in straight line through 3-way or 4-way connector
- Extends power through a 135° or 120° 2-way, 3-way connector.

## Transaction Tops - Change of Height

- Transaction supports do not need to be specified separately. Attachment hardware is included
- Rectangular transaction tops come in three types: without cutout, with cutout on one side, and with cutout on two sides
- Use transaction tops **without** cutout for:
  - Tops on the lower panel of a change of height at connector (cut trim above transaction top)
  - Tops on the taller panel of any change of height
- Use transaction tops **with** cutout on one side for:
  - Tops on the lower panel of an in-line change of height, in order to accommodate the panel-to-panel change of height trim
- Use transaction tops **with** cutout on two sides for:
  - Tops on the lower panel between two taller panels, in order to accommodate the panel-to-panel change of height trim on both sides
- Specify transaction tops on page 35

## Fabric-Covered Panel Non-Electrical
