## Terms and Conditions

---

### PRICES

Pricing is delivered, freight included to 48 contiguous states. Specific requirements apply, minimum order required, see freight policy for details. See complete freight rules and policy on [www.friant.com](http://www.friant.com).

### ORDERING

Purchase Orders should be sent to [orders@friant.com](mailto:orders@friant.com) or faxed to (510) 535-6895. If your specifications were created with CAP, GIZA or Project Matrix, please send the worksheet (.SP4, or .SIF) with your Purchase Order.

### TERMS

Net 30 days from date of invoice. Invoices are delinquent if not paid 30 days from date of invoice. In the event timely payment is not made, interest will be charged at the rate of 1.5% per month on delinquent accounts. Buyers will also be liable for normal collection costs and attorney's fee. 50% deposit is required with every order, unless prior arrangements have been made.

### ORDERS

Orders are only accepted by issuance of our formal acknowledgment, and are subject to the terms set forth herein and on our order acknowledgment. It is the responsibility of the buyer to review our acknowledgment for accuracy.

### LEAD TIME

Lead times are subject to availability, see [www.Friant.com](http://www.Friant.com) for details.

### SHIPPING

Friant generally palletizes, boxes and/or shrink-wraps its products. If buyer requests additional packaging or special shipping, then it is responsible for any extra costs that result. Buyer obtains title to products and assumes the risk of loss for them upon shipment from Friant's plant.

### CLAIMS

We are not responsible for damage suffered in transit. Merchandise should be inspected for possible freight damage upon delivery. The consignee should file for damage or shortages with the carrier within 5 days of delivery. You are also protected for "concealed damage" if you file claim with the carrier within 5 days of delivery. Buyer must make all claims against Friant for defects, errors or shortages in writing within 10 days after delivery. Failure to make such a claim shall constitute full acceptance.

### RETURNS

No merchandise may be returned without our written consent and shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

### PARTIAL SHIPMENTS

We will make every attempt to ship orders complete and on schedule. However, we reserve the right to make partial shipments, as merchandise is ready. Invoices covering these shipments are to be paid as they become due.

### ORDER CHANGE/CANCELLATIONS

Our order confirmation is final and binding. Any order change or cancellation is subject to our ability to conform. For the most up to date information, always review the order change/cancellation policy online. Allowable changes within the posted policy must be made in writing.

### SHIPMENT AND PREPAID FREIGHT

Unless otherwise instructed, we reserve the option to ship by what is, in our opinion, the best possible way. Upon request, we will prepay and add freight for accounts with established credit.

### DELIVERY

We are not liable for delay or failure of delivery due to strikes and/or differences with workmen, war, riot, fire, compliance with government regulations, acts of nature, failure or delays of sources of supply, or any other causes beyond our control.

### STORAGE

If buyer cannot accept delivery when merchandise is ready, we reserve the right to transfer goods to storage. Costs of transfer and storage will be charged to the buyer's account, and we will deem such transfer as constituting shipment for all purposes, including invoicing, as of the date the transfer is made.

## Terms and Conditions

### CONSTRUCTION — SPECIFICATIONS

All items are produced to price list specifications unless otherwise advised. All dimensions shown are approximate. Manufacturer reserves the right to make modifications and/or improvements without prior notice.

### FABRIC APPLICATION

Standard fabric application is non-directional. Friant & Associates is not responsible for charges associated with replacement of products due to incorrect specifications. Certain product construction and sizes require fabric to be applied only Directionally or Non-Directionally. See individual pricebook specifications for details.

### CUSTOMER'S OWN MATERIAL

Yardage requirement is based on 66" wide plain covering material, and must be increased if less than 66" wide. Special instructions for handling material (pattern, directional fabric, right side of reversible fabric, etc.) must be submitted in writing before fabric is delivered. In the absence of special instructions, we reserve the right to use our own judgment. We reserve the right to reject any covering, which in our opinion, is unsuitable for our upholstery purposes. However, in no instance shall we be held responsible for unsatisfactory results due to use of covering unsuitable for our upholstery methods.

We will not be responsible for errors caused by buyers not supplying us with sample cuttings attached to their order giving full identification of covering material, (name of supplier, covering name, number and color) for identification purposes and advising us of model number and quantity to which each cover is to be applied.

Customer's own material that is shipped freight collect will be refused. A service charge will be applied for the return of unusable C.O.M. Contact factory.

### RIGHTS AND WARRANTIES — 5 YEARS

This warranty is given to the initial purchaser and is valid from the date of purchase, for as long as the initial purchaser owns the product. This warranty covers defects in material and craftsmanship found during normal usage of the product during the warranty period. Normal usage is defined by 8 hour shifts in the product's intended application and in an indoor environment that conforms to the ANSI/ASHRAE Standard 55: Thermal Environmental Conditions for Human Occupancy (relating to air temperature, mean radiant temperature, air velocity, clothing insulation, metabolic rate, and humidity). Friant's warranty does not cover usage other than normal usage as defined in the previous sentence. If the product is defective, and if written notice of the defect is given to Friant & Associates within the applicable warranty period, Friant & Associates, at its option, will either repair or replace the defective product with a comparable component or product. This warranty applies to all products except as noted below.

**The following exceptions to the limited 5 year warranty apply: All Motors and electrical components are warranted for 5 years.**

High wear parts, such as wood veneer, fabrics, laminates and other covering material/finishes, foam, glides, etc. are warranted for one (1) year. This warranty does not apply to damage caused by a carrier, alteration to the product not expressly authorized by Friant & Associates, nor to product considered to be of a consumable nature such as bulbs, light ballasts, etc. It also does not apply to "Customer's Own Material" (i.e. material specified by the customer that is not a standard Friant & Associates offering) used in the manufacture of Friant & Associates products.

Our warranty for LED lights is 2 years.

Friant & Associates does not warrant the matching of colors, grain or texture, except to within commercially acceptable standards. This includes normal variations between dye lots (fabrics).

A product will not be considered defective, and Friant & Associates will not be obligated to replace it, if it is not installed in a proper manner (i.e. product not leveled, not secured properly, etc.) or if it is not used in a manner and/or in an environment that constitutes normal usage, as defined above.

This warranty does not apply to items subjected to abuse, misuse, neglect, alteration, or damage caused by shipment, storage, accident, fire, food or an act of nature

Except as noted above, Friant & Associates makes no express or implied warranties to any product, and in particular makes no warranty of fitness for any particular use. At Friant & Associates' option, product repair and replacement is the customer's exclusive remedy for any and all product defects.

Please request written authorization before returning defective parts to Friant, returned defective parts will not be accepted without prior written authorization. Labor and service are not covered under this warranty.

Friant & Associates shall not be liable for consequential, economic, or incidental damages arising from any product defect.

## How To Specify My-Hite 2-Piece Extended Corner or Rectangular Tops

Use a FVFB.08 Flat Bracket pair to attach the two surfaces, making sure the seam is oriented so that it is supported by the continuous part of the My-Hite Corner Base. Maximum width combined: 84x84" (All My-Hite bases) or 72x96" (3 Stage base only).

Specify the Rectangular Extension on page 99.

To create an extended corner My-Hite station, specify an Extended Curved Corner with a Rectangular Extension.

To create a two piece rectangular corner top, specify two rectangular tops, or a rectangular top and one rectangular extension.

## Mobile Pedestals

My-Hite pedestals are a compact storage option designed to fit under height adjustable tables at their lowest setting. Choose the color of the pedestal, and, as options, the color of the foam cushion and the color of the top cap. Pedestals include pencil tray, mail slot and keyed alike options for locks. Front to back file bars are included.

Fly Screens

Fly screens are PET screens that mount to the underside of any worksurface. Screens are sold individually, and can be combined and configured in several ways.

FLYP SCREEN DIMENSIONS

Fly screens are sized to match the width of **REDUCED SIZE TOPS**. When used with full sized tops, there is a gap. Flyp side screens are 23.5" wide, on 23" deep tops, the screen will overhang past the worksurface slightly. Please see below for dimensions.

## Worksurface Planning Guide

SPECIFY BEAM

\* When worksurface is wrapped by Beam on 3 sides, width must be reduced one full size. For example: 70" worksurface becomes a 64"

Beam Elevation Height

SPECIFY BEAM

## Beam Creep

Beam width is measured from center of Post to center of Post. Because of this, creep will be consistent, no matter the size of the beam packages, or the quantity of posts in the run.

Beam creep will be an additional 5" overall per run.

Examples below are FB-BEAM-48B-E Beam Packages, 48"W
